WELCOME TO LLYN Y GORS

Llyn Y Gors is a wonderful fishery that combines picturesque scenery along with idyllic fishing. Not only can anglers catch carp in excess of 35lb, catfish to 30lb or record bags like 204lb, Llyn Y Gors also offers the opportunity for the novice angler to catch his or her first fish with a dedicated beginners lake.

Our friendly staff will assist with helpful advice and our tackle shop supplies a full selection of fishing tackle and bait. We also have holiday cottages and a touring caravan and campsite for a longer stay.
